EDITORIALS

What Can the AAOT Do for Me?	1
Up-to-Date Journal: Evolution and Incorporation of Section Editors	136
Medical Continuing Education Committee. Memories for the Future	286
Present Reality. What We Can Benefit From	443
A Debt to Pay Off	567
Why Publish in the AAOT Journal?	712

POSTGRADUATE ORTHOPEDIC INSTRUCTION- IMAGING

Transient osteoporosis of the hip	3 and 130
Multiple myeloma	138 and 281
Myositis ossificans	289 and 437
Gonalgia. Primary bone lymphoma	444 and 560
Postsurgical reactive insertional tendinopathy	713 and 867

TUMORS

Predictive Nomogram for Evaluating Survival in Patients with Spinal Metastases	77
Acute Paraparesis due to Aggressive Vertebral Hemangioma. Report of Two Cases and Literature Review	398
Use of Denosumab in an Aneurysmal Bone Cyst of the Spine. Case Report and Literature Review	621

SPINE

Minimally Invasive Treatment for Traumatic Thoracolumbar Fractures	44
---	----

Spine Fractures in Patients with Ankylosing Spondylitis	58
--	----

Lumbar Decompression in Patients with Parkinson's Disease: Series of Cases Treated with Minimally Invasive Surgery	64
--	----

Evaluation of Cervical Spine Injuries in Polytraumatized Patients in Emergency Service	71
--	----

Slalom Technique as a Treatment in Multilevel Lumbar Spinal Stenosis. Series of Cases Treated Simultaneously with Endoscopic and Tubular Decompression with Microscopic Assistance	175
--	-----

Traumatic Acute Spinal Cord Injury Associated with Ossification of the Cervical Posterior Longitudinal Ligament without Tomographic Evidence of Bone Trauma. Case Series and Literature Review	324
--	-----

Catastrophic Spinal Cord Injuries in Argentine Rugby. Impact of the Measures Implemented and Their Relative Reduction in Time	335
---	-----

Spinal Needle Removal in the Thoracolumbar Spine. Case Report	392
--	-----

Study of the Sagittal Anatomy of the Pelvis in Workers With Sacroiliac Pain	747
--	-----

Caudal Epidural Block Outcomes in Economically Active Patients With Low Back Pain	763
--	-----

PEDIATRIC ORTHOPEDICS

Tenodesis for the Treatment of Late-Presenting Tendinous Mallet Finger Deformities in Children and Adolescents	23
--	----

Pediatric Traumatology and COVID-19. Pandemic Experiences from Córdoba, Argentina	122
---	-----

A Computed Tomography Assessment of Hindfoot Alignment in Patients with Tarsal Coalitions	151
--	-----

Patient-Reported Outcomes of Calcaneo-Navicular Coalitions Treated With Surgical Excision and Fat Graft Interposition: A Two-Center Experience	342	Radiocarpal Fracture-Dislocation: Retrospective Evaluation of a Case Series	629
Ulnar Artery Pseudoaneurysm in a Child. Case Report and Literature Review	639	Acute Non-Ischemic Idiopathic Blue Finger: Achenbach's syndrome. Case Report and Literature Review	645
Isolated Elbow Dislocation in Children Under 10 Years of Age: Report of Two Cases	659	Proximal Interphalangeal Finger Arthroplasty with Double Osteochondral Rib Graft. Case Report and Description of the Surgical Technique	651
UPPER LIMB		Ulnocarpal Impaction	666
Reduction of Shoulder Dislocation in Times of Pandemic. A New Light Shining Through an Old Window	107	Primary Flexor Tendon Repair in Zone II. Update and Surgical Technique	681
Total Elbow Arthroplasty After an Infectious Process. Two-stage Surgery	185	Rehabilitation of Flexor Tendons in Zone II: What Aspects Should We Take Into Account When Assisting These Patients? Literature Review	696
Histology of the Biceps in Patients with Chronic Tendinitis Treated with Subpectoral Tenodesis	246	Decision-Making in Cases of Radial Nerve Palsy and Pathology	705
Return to Sports After Latarjet Surgery: Systematic Literature Review	263	Reverse Total Shoulder Arthroplasty in Patients >60 Years of Age With Rotator Cuff Tear Arthropathy. Short-Term Outcomes and Complications	780
Supracondylar Subtraction Wedge Osteotomy for the Treatment of Adult Cubitus Valgus	316	Shoulder Injuries Related to COVID-19 Vaccination	842
Total Elbow Arthroplasty in the Context of a Nonunion of the Olecranon. Surgical Technique and Report of 3 Cases	428	Intraoperative Measurement With a Smartphone App That Improves the Accuracy of Derotational Osteotomies	858
Radiological Criteria for Rotational Reduction in Humeral Shaft Fractures	568	LOWER LIMB	
Thermoplastic Brace Treatment for Humerus Fractures	575	Bösch vs MICA Techniques in Hallux Valgus Surgery. Medium-Term Prospective Comparative Radiographic Analysis	5
Results of the Knotless Arthroscopic Foveal Anchorage of the Triangular Fibrocartilage Complex in Atzei 2/3 Lesions	581	Bone Marrow Edema Following Ankle Ligament Injuries: an MRI Imaging Evaluation	17
Functional Outcomes of Displaced Radial Neck Fractures in Children: Correlation Between Patient-Reported Outcomes (PROMIS and QuickDASH)	595	Comparative Prospective Study of the Management of Preventive Analgesia in Patients Undergoing Primary Total Knee Arthroplasty	31
Long-Term Functional Outcomes of Open Carpal Tunnel Release Surgery	601	Implication of Internal Rotation Traction Radiography in Proximal Femoral Fracture Evaluation	39
Improvement in Sleep Quality After Carpal Tunnel Release	613	Pure Medial Subtalar Dislocation: Case Report and Literature Review	83
Osteosynthesis in Long Oblique and Spiral Metacarpal Fractures: Comparison Between Interfragmentary Screws and Plating	621		

Necrotizing Fasciitis: Complication of Osteosynthesis in Medial Hip Fracture. Case Presentation	91	Acute Achilles Tendon Injury Treatment Using a Minimally Invasive Knotless Technique. Rehabilitation and Immediate Weight Bearing	356
Fracture of a Polyethylene Tibial Post in Posterior Stabilized Total Knee Replacement. Two Case Reports	99	Mazabraud Syndrome: A Case Report	365
Treatment of Femoral Neck Fractures with Osteosynthesis. Ten Keys to Success	110	Retrograde Femoral Intramedullary Nail Extraction Techniques. Report of Three Cases	375
Percutaneous Osteotomy of the Distal Phalanx of the Hallux. Indications and Technique	139	Surgical Variants in the Treatment of Proximal Hamstring Avulsion	407
Analysis of the Stabilization of Gustilo Grade I and II Open Tibia Fractures in the Acute Stage	159	Comparative Retrospective Study Between Aspirin and Dabigatran in the Incidence of Thromboembolic Events in Hip and Knee Arthroplasty	446
Modular Fluted Tapered Stems in Revision Total Hip Arthroplasty. Multicenter Study. Medium-Term Results and Complication Rate	197	Behavior of Hydroxyapatite-Coated Cementless Stems Placed With Coronal Malalignment in Primary Hip Arthroplasty. Long-Term Follow-Up Results	455
Fresh Patellar Allograft and Osteochondral Defects	207	Influence of Spinal Fusion on Acetabular Implant Orientation	463
Posterior Circumferential Support in Tibial Plateau Fractures	219	Comparative Clinical-Radiological Analysis of First-Generation vs. Second-Generation Flat Cementless Femoral Stems	475
Rapidly Progressive Osteoarthritis of the Hip Secondary to a Subchondral Insufficiency Fracture of the Acetabulum: A Case Report	228	The Use of Trabecular Metal Cones for the Management of Severe Bone Defects in Revision Total Knee Replacement	483
Osteomyelitis Pubis. Case Report	235	Comparison Between Articulating vs. Fixed Spacers in Revision for Periprosthetic Knee Infection	493
Patient With Klippel-Trenaunay Syndrome. Case Report of an Intraoperatively Aborted Hip Joint Replacement	240	What Factors Cause Hip Reimplantation to Fail after a Two-Stage Revision Hip Arthroplasty?	501
Treatment Update for Intertrochanteric Fractures	253	Advantages of the Lateral Approach in Severe Genu Valgus Knee Arthroplasty	512
Tendon Injuries of the Knee Extensor Mechanism: Treatment and Rehabilitation Protocol	291	Total Knee Replacement in Patients With Ankylosis. Report of Three Cases and Literature Review	519
Lateral Unicompartmental Knee Arthroplasty for the Treatment of Lateral Knee Osteoarthritis. Results in 29 Arthroplasties With an Average Follow-up of 6.2 Years	299	Saphenous Neurocutaneous Flap and Cement Spacer Replacement in the Management of Arthroplasty of an Infected Knee With a Soft Tissue Coverage Defect. Case Report	529
Is Single-Stage Bilateral Knee Arthroscopy a Safe Option?	309	Osteosynthesis in a Pubic Stress Fracture. Case Report and Literature Review	537
Versatility of the Tibia Long Retrograde Intramedullary Nail for Tibiototalcanal Arthrodesis in Patients with Associated Lesions in the Same Segment	349		

Morel-Lavallée Lesion of the Knee. Case Report.....	545	Hemicorporectomy and Prosthetic Equipment. Report of a Case at 15 Years of Follow-up	790
Hip Labral Reconstruction Using the Ligamentum Teres Capitis: Case Report and Surgical Technique	553	Non-Tuberculous Gibbus Deformity, Treated With an Implant Coated With Silver Nanoparticles. Presentation of a Case.....	802
Impact of the COVID-19 Pandemic on the Activity of a Public Orthopedics and Traumatology Service: Our Insights After the First Wave	716	Superficial Circumflex Iliac Artery Perforator Flap for the Coverage of Limb Defects	812
Ganz Periacetabular Osteotomy for the Treatment of Developmental Dysplasia of the Hip: Initial Experience and Results From the First 44 Cases	727	Epidemiological Data on Injuries in Road Traffic Accidents. Surveys From the Period January 2017 to July 2020. Morbidity and Mortality Committee - AAOT	829
Impaction Bone Grafting for the Treatment of Vancouver Type B3 Periprosthetic Femoral Fractures. Survivorship and Complication Rate Analysis.....	737	What Is the Percentage of Use of Surgical Skills Assessment Tools in Orthopedic and Traumatology Residencies in Argentina?	850
Total Knee Replacement After High Tibial Osteotomy. Retrospective Comparative Study Between Subtractive and Additive Osteotomies	755	OBITUARIES	
Predictive Outcome Score in Lower Limb Reconstructive Surgery. Preliminary Test.....	771	Professor Dr. Héctor F. Girardi (1934-2020). A Celebration of His Life	133
40 th anniversary of a publication presenting an implant that is still in use: “ENDO model”	862	Dr. Aroldo Carlos Legarreta (1955-2021)	135
GENERAL TOPICS		Dr. Aníbal Julio Acuña. Goodbye Aníbal!	442
The Role of Dermal Regeneration Templates in Severe Soft Tissue Defects. Management of “Critical Zones”. Case Series	167	Dr. Franklin Merlo, Master of Argentine Orthopedics and Traumatology.....	566
Assessment of Clinical and Surgical Competencies in a Pediatric Orthopaedic and Traumatology Residency. Application of the Mini-Clinical Evaluation Exercise (Mini-Cex) and Direct Observation of Procedural Skills (DOPS)	417	Fernando Silberman, Natural-Born Teacher	711
		Dr. Fernando Silvio Silberman (1930-2021)	872
		ERRATA	285; 874
