

# Index by Topic 2023

## EDITORIALS

Unifying our efforts to dignify medical training and work .....	1
Visibility .....	128
Orthopedics and Traumatology Residencies in Argentina .....	265
The right path of scientific evidence .....	377
RAAOT-ACARO .....	465
Importance of a Research Ethics Committee .....	xxx
40 <sup>o</sup> Anniversary of the AAOT Library .....	xxx

## POSTGRADUATE ORTHOPEDIC INSTRUCTION - IMAGING

Extrapulmonary sarcoidosis .....	130; 257
Giant cell tumor .....	267; 369
Upper cervical spine trauma .....	xxx; xxx

## TUMORS

Aneurysmal Bone Cyst of the Cuboid. Case Report and Review of the Literature .....	331
Subscapularis Fibromatosis as a Cause of Winged Scapula. Case Report and Literature Review .....	444
Use of Endoprosthesis for the Treatment of Non-Neoplastic Pathologies of the Knee .....	466
Measuring Tumor Aggressiveness Through Artificial Intelligence .....	xxx
Snapping Scapula Syndrome Resulting from a Subscapular Osteochondroma: Case Report and Literature Review .....	xxx

## SPINE

Usefulness of the Measurement of the Psoas and Paraspinal Muscles by Computed Tomography and Magnetic Resonance .....	132
---	-----

Post-Traumatic Vertebral Injuries .....	138
Morphological Aspects of Pyogenic Spinal Epidural Abscess .....	148
Endoscopic Treatment of Lumbar Spondylodiscitis. Case Report and Literature Review .....	199
Facet Fluid Sign and Segmental Instability of the Spine .....	269
Analysis of Patients with Vertebral Gunshot Injuries According to Return to Work .....	286
Facet and Selective Nerve Root Blocks as a Diagnostic and Therapeutic Alternative in Patients with Chronic Low Back Pain .....	296
Magnetically-Controlled Growing Rods. Outcomes and Complications .....	302
Floating Spine and Other Types of Associated Multiple Simultaneous Unstable Spinal Fractures .....	321
MRI-based Planning for an Extreme Lateral Interbody Fusion Procedure. Is It Safe? An MRI Study Describing the Statistical Distribution of Safe and Danger Zones .....	351
Complications of the Anterior Approach to Lumbar Spine in a Series of 197 Patients .....	xxx

## PEDIATRIC ORTHOPEDICS

Mucopolysaccharidosis Type VI: Case Report .....	187
Gait Disturbance and Polyarthralgia as a Manifestation of Scurvy in a Pediatric Patient. Case Report .....	346
Magnetically-Controlled Growing Rods. Outcomes and Complications .....	302
Current Concepts on Bracing in the Ponseti Method .....	218
Scores VII .....	252
Obturator Pyomyositis in a Pediatric Patient Resolved by Ultrasound-Guided Percutaneous Drainage. Case Report .....	xxx

Hair Tourniquet Syndrome in the Pediatric Population:  
A Case Report ..... **xxx**

Non-accidental Trauma to the Thoracolumbar Spine  
in a 10-month-old Child ..... **xxx**

## UPPER LIMB

Vascularized Ulnar Periosteal Graft for the Treatment  
of Recalcitrant Nonunion of the Radius.  
Case Report ..... **208**

Suprascapular and Interscalene Nerve Block as Analgesia  
After Arthroscopic Rotator Cuff Repair:  
a Retrospective Comparative Cohort Study ..... **379**

Oral Versus Intra-articular Corticosteroid in the Treatment  
of Adhesive Capsulitis ..... **386**

Recalcitrant Humeral Nonunion: Biological Reconstruction  
Technique ..... **392**

Surgical Treatment in Maresca Type A2 Bifocal Humeral  
Fractures ..... **409**

Subjective Evaluation of Subclavicular Hypoesthesia After  
Open Reduction and Internal Fixation of Clavicle Fractures .... **419**

Intraoperative Iatrogenic Injury of the Radial Nerve  
in Humerus Osteosynthesis ..... **427**

Arthroscopic Decompression in Suprascapular Neuropathy.  
Case Report and Anatomical Review ..... **435**

Median Nerve Compression Syndromes. Literature  
Review and Update ..... **451**

Standardized Rotator Cuff Repair. Classification  
of Fundación Santa Fe de Bogotá ..... **457**

Extensor Carpi Radialis Longus Tendon Transfer to Extensor  
Carpi Ulnaris: Does It Significantly Improve the Correction  
Radial Deviation in the Rheumatoid Wrist? ..... **xxx**

Subcoracoid Impingement: Diagnosis and Ultrasound-guided  
Injection in Throwing Athletes ..... **xxx**

## LOWER LIMB

Modified Mitchell's Osteotomy for the Treatment of Hallux  
Valgus Rigidus. Description of the Surgical Technique  
and Medium-term Functional Evaluation ..... **3**

Evans Osteotomy Without Bone Graft in Stage IIB  
Adult Flatfoot Deformity ..... **13**

Supramalleolar Ankle Block for Foot and Ankle Surgery ..... **22**

Role of Prosthetic Alignment and Heterotopic Calcifications  
in Total Ankle Arthroplasty ..... **33**

Diabetic Foot and COVID-19 Pandemic in Argentina:  
Foot and Ankle Specialists Respond to the Use  
of Telemedicine ..... **45**

Diabetic Foot: Mortality Rates After Major Amputation ..... **53**

Analysis of Demographic Characteristics in a Series  
of 94 Patients with Articular Calcaneal Fractures ..... **59**

Sinus Tarsi Approach for the Treatment of Calcaneus  
Fractures: an Increasingly Used Technique ..... **66**

Distraction Osteogenesis Technique Using an Intramedullary  
Nail and an External Fixator in Large Bone Defects ..... **79**

Flexor Hallucis Longus Transfer in a Patient with Post-polio  
Syndrome with Posterior Tibial Tendon Dysfunction.  
Case Report and Surgical Technique ..... **91**

Medial and Plantar Dislocation of the Navicular Bone  
Associated With a Calcaneocuboid Fracture-subluxation.  
Case Report ..... **97**

Tillaux Fracture in Adults. Case Report and Literature  
Review ..... **107**

Endoscopic Spring Ligament Repair. Anatomic Evaluation  
of Portal Safety ..... **113**

Scores VI ..... **123**

Results of Neurolysis for the Treatment of Neuropathic  
Pain in Patients with Sciatic Nerve Injury.  
Case Report ..... **156**

Bilateral Simultaneous Unicompartmental Knee Arthroplasty.  
Medium-term Outcomes in 86 Arthroplasties  
with an Average Follow-up of 6.2 Years ..... **164**

Nonunion After Chevron Osteotomy: Incidence, Treatment,  
Follow-up, and Outcomes ..... **177**

Short Femoral Stems for Primary Total Hip Arthroplasty  
in Young Patients: Clinical and Biomechanical  
Outcomes ..... **224**

Epidemiology and Management of Femoral Gunshot  
Fractures. Our Experience ..... **275**

The Use of Semi-Constrained Knee Prostheses ..... **478**

Basicervical Fractures Treated with Single-Screw  
Cephalomedullary Nail. Case Series and Review  
of the Literature ..... **485**

Morbidity and Mortality in Intertrochanteric Hip Fractures Treated With Cephalo-medullary Nailing. Predictive Value of the Parker Mobility Score .....	493	Analysis of Patients with Vertebral Gunshot Injuries According to Return to Work .....	286
Early Complications in Direct Transgluteal Anterolateral Total Hip Arthroplasty: A Comparative Study .....	502	Floating Spine and Other Types of Associated Multiple Simultaneous Unstable Spinal Fractures .....	321
Treatment of Paprosky Type IIIA-B Acetabular Defects and Pelvic Discontinuity With Custom 3D Implants: Medium-Term Results .....	511	Non-accidental Trauma to the Thoracolumbar Spine in a 10-month-old Child .....	xxx
Preliminary Outcomes with Dual Mobility Cups in Patients Older Than 65 With Hip Fractures. A Retrospective of 102 Patients .....	520	Epidemiology and Management of Femoral Gunshot Fractures. Our Experience .....	275
Extended Oral Antibiotic Prophylaxis in Primary Hip Arthroplasty: Does it Decrease Periprosthetic Joint Infections? .....	527	Experience in Managing War Trauma with a Damage Control Approach in the Hospital for Patients with Femur or Tibia Fractures .....	xxx
Preservation of Fixed Cementless Femoral Stems in Patients with Chronic Periprosthetic Hip Infection .....	539	<b>SPORT</b>	
A Simple Method to Minimize Limb Length Discrepancy and Restore Offset in Total Hip Arthroplasty .....	548	Meniscal Suture in Athletes: Failure Analysis and Return to Sport .....	314
Are Customized Implants a Solution in Acetabular Revision Surgery? A Case Study .....	557	<b>GENERAL TOPICS</b>	
Total Hip Arthroplasty with a Revision Stem in Hereditary Multiple Exostoses with Secondary Osteoarthritis .....	566	Mucopolysaccharidosis Type VI: Case Report .....	187
Infected Pseudotumor in Total Hip Arthroplasty with Metal-on-Metal Friction Couple .....	573	Gait Disturbance and Polyarthralgia as a Manifestation of Scurvy in a Pediatric Patient. Case Report .....	346
Surgical Hip Dislocation for the Treatment of Synovial Chondromatosis Associated with a Cam Deformity .....	581	Participation of Women at the Societal and Institutional Level in the Asociación Argentina de Ortopedia y Traumatología .....	362
Validation of the Classification of Leonetti and Tigani in Tibial Pilon Fractures Through Resident Doctors in Traumatology and Orthopedics and Foot and Ankle Fellows .....	xxx	Biological Reconstruction of Large Bone Defects with Vascularized Fibular Autograft .....	xxx
Experience in Managing War Trauma with a Damage Control Approach in the Hospital for Patients with Femur or Tibia Fractures .....	xxx	Knowledge about the Editorial Process of Scientific Journals: Cross-sectional Study among Orthopedic Surgeons .....	xxx
Total Hip Arthroplasty in Adults with Legg-Calvé-Perthes Disease .....	xxx	<b>OBITUARIES</b>	
<b>TRAUMA</b>		Dr. José Antonio Piñeiro .....	264
Post-Traumatic Vertebral Injuries .....	138	Dr. Andrés Aníbal Silberman (1962-2023) .....	375
		Dr. Gastón Maignon .....	464
		Dr. Gastón Maignon .....	586
		<b>LETTERS TO THE EDITOR</b>	
		Dr. Pedro L. Bazán .....	376
