EDITORIALS

Our Challenge for 2025	1
SAMeCiPP: An Ever-growing Society Thanks to its Members	111
Application for Indexation in PubMed	207
Journal of the Argentine Shoulder and Elbow Association. Special Issue 2025	306
RAAOT-ACARO Issue	409
AATO Special Issue	498

TUMORS

Aneurysmal Bone Cyst with Neurological Involvement in the Spine: Report of Two Cases and Literature Review	290
Acute Exostosis Bursata: A Rare Complication of Scapular Osteochondromas—Case Report and Literature Review	361

SPINE

Difficulties in the Initial Management of Spinal Trauma: A Survey of On-Call Trauma Surgeons in Argentina	235
Clinical and Demographic Characteristics of Workers with Unspecified Low Back Pain	246
Which Should Be Operated on First—The Spine or the Hip? A Survey-Based Study on Treatment Order in Patients with Concurrent Degenerative Disorders of the Hip and Spine	253
Pharmacological Management of Bone Loss in Patients with Spondylodiscitis: A Systematic Review	277
Stress Fractures of the Lumbar Spine: Pediculolysis as an Unusual Presentation Variant. Case Report	285

PEDIATRIC ORTHOPEDICS

Trends in the Evaluation and Treatment of Tibial Spine Fractures: Perspectives from SAOTI and SEOP Members	26
Supracondylar Humerus Fracture Treatment in Children: A Comparison Between Supine and Prone Positions	43
Spondylodiscitis in Infants Under 6 Months with Negative Blood Culture: Case Report and Literature Review	73
Neonatal Vertebral Osteomyelitis: Case Report and Literature Review	80
Modified Lemaire Lateral Extraarticular Tenodesis in Skeletally Immature Patients: Technical Note	97
Meniscal Preservation Surgery and Genu Valgum Correction through Guided Growth in Patients with Discoid Meniscus	298
Traumatic Anterior Hip Dislocation in a 7-Year-Old Pediatric Patient	481
Medial Discoid Meniscus: A Rare Condition. Case Report and Treatment Considerations	489
Protocol for the Care of Non-Accidental Trauma in the Child and Adolescent Population: Radiological and Traumatological Aspects	597
Open Reduction and Internal Fixation as Management of a Complex Scapular Fracture in a Polytraumatized Child: Case Report	578

UPPER LIMB

Locked Metacarpophalangeal Joint: Case Series, Anatomical Study, and Literature Review	15
Carpal Injuries Associated With Distal Radius Fractures: Arthroscopic-Tomographic Correlation	34

Reconstruction of Congenital Pseudarthrosis of the Radius Using a Vascularized Tibial Periosteum Transplant: A Case Report.....	90	Tibial Stress Fractures: Specificity of Focal Tenderness to Palpation	123
Stemless Humeral Prosthesis and Meniscal Alograft: Should We Abandon This Technique?	310	Acute Lateral Ankle Instability: A Comparative Study of Minimally Invasive Surgical Treatment vs. Functional Treatment.....	131
Sex Differences in Recovery After Musculocutaneous Nerve Neurotization for Brachial Plexus Injuries: Anatomical and Physiological Basis and Clinical Study.....	326	Insertional Achilles Tendinopathy: Surgical Treatment with Double-Row Suture Anchors. Case Series.....	141
Displaced Midshaft Clavicle Fractures in Adolescents: Outcomes with Flexible Intramedullary Nail Fixation.....	335	Percutaneous Treatment of Grade I/II Hallux Rigidus in Active Patients: Surgical Technique and Outcomes	150
Posterior Shoulder Instability Treated with Arthroscopic Bankart and McLaughlin Techniques ...	344	Treatment of Distal Tibia Fractures with a Retrograde Intramedullary Tibial Nail.....	157
Treatment of Scapular Chondrosarcoma with a 3D-Printed Implant and Reverse Total Shoulder Arthroplasty: Case Report.....	353	Sinus Tarsi Approach and Osteosynthesis with Cannulated Screws in Calcaneal Fractures with Articular Depression	166
Posterior Sternoclavicular Dislocation: Reinforced Autograft Reconstruction. A Case Report.....	369	Progressive Collapsing Foot Deformity.....	177
Acute Elbow Dislocation and Instability: Update on Diagnosis and Management	377	Chronic Swivel Dislocation of the Talonavicular Joint Due to Low-Energy Trauma: A Case Report.....	185
Intra-articular Arthroscopic Tenodesis of the Long Head of the Biceps Using a Knotless Threaded Anchor: Surgical Technique	388	Volkman and Tillaux Fracture in Adults. Unusual Bimalleolar Equivalent. A Case Report	190
Ultrasound Assessment and Clinical Correlation of the Pronator Quadratus Muscle After Its Repair in the Treatment of Distal Radius Fractures	547	Tibiototalcalcaneal Arthrodesis with Retrograde Intramedullary Nail in Patients with Charcot Neuroarthropathy of the Ankle and Hindfoot.....	209
“Recycling Technique” for Single-Stage Metacarpal Hand Reconstruction.....	586	Arthroscopic Treatment of Large and Massive Osteochondral Lesions of the Talus: A Prospective Cohort Study	219
Osteoplastic Reconstruction of the Thumb: Technique and Outcomes After More Than 6 Years of Follow-Up.....	570	Changes in Patient Preferences When Choosing a Surgeon and Hospital for Elective Hip Surgery: Ten Years Later.....	263
Diaphyseal Fractures of the Humerus Treated With the MultiLoc® Nail: Mid-Term Results.....	538	Dual Mobility Cup in Patients Younger Than 70 Years: Preliminary Results of a Case Series	410
LOWER LIMB		One-Stage Revision for Periprosthetic Hip and Knee Infections: A Multicenter Experience.....	417
Revision Surgery: Cemented Monoblock Stem Following Failure of Osteosynthesis in Extracapsular Hip Fractures	7	Dislocation of Bipolar Hip Hemiarthroplasty in the Elderly: Comparison of the Posterolateral and Anterolateral Approaches.....	426
Early Surgical Treatment for Severe Idiopathic Compression of the Common Peroneal Nerve: A Case Series.....	115	Impact of Patellar Thickness in Total Knee Arthroplasty: Clinical and Functional Outcomes and Early Complications.....	431

Intraosseous Vancomycin for Acute Periprosthetic Knee Infection: A Retrospective Study.....	438
---	-----

Location and Radiological Features of the Synovial Pit and Its Usefulness in Hip Arthroscopy	446
--	-----

Prophylactic Technique to Reduce the Risk of Interprosthetic Femoral Fractures.....	457
---	-----

Impact of Total Hip Arthroplasty on Sexual Activity and Life Satisfaction: An Underexplored Aspect.....	464
---	-----

Selective Arterial Embolization.....	472
--------------------------------------	-----

Anterolateral Approach With Lateral Epicondyle Osteotomy in Tibial Plateau Fractures: Functional and Radiological Results at 6-Month Follow-Up	514
--	-----

Characterization of Preceding Fragility Fractures in Patients With Hip Fractures: A Retrospective Analysis of 200 Cases.....	525
--	-----

Irreducible Knee Dislocation Associated with Interposition of Medial Structures: A Case Report.....	561
---	-----

Tibial Plateau Fractures Schatzker Type II–III Treated With Impacted Bone Allograft or <i>Rafting</i> Technique: Is Filling the Void Necessary? A Comparative Cohort Study of 80 Patients	530
---	-----

Radiographs and Computed Tomography: Comparison Between an Expert Observer and the ChatGPT-4o Model.....	556
--	-----

GENERAL TOPICS

Radiation Exposure in Orthopaedics in Argentina.....	51
--	----

Effectiveness of 0.35% Diluted Povidone-Iodine Irrigation on Bacterial Cultures: An <i>In Vitro</i> Study	63
--	----

The Logic of Clinical Reasoning in Medicine	396
---	-----

Surgery in the Age of Artificial Intelligence: The Art That Only Human Hands Can Learn.....	494
---	-----

Current Status of Scientific Research on Musculoskeletal Trauma in Argentina: A Survey-Based Study	503
--	-----

What if It All Began with a Broken Bone? Paleolithic Reflections on the Origins of Medical Care and Traumatology.....	594
---	-----

OBITUARIES

Dr. Jorge Abel Groiso.....	109
----------------------------	-----

Dr. Daniel Repetto (1954-2024).....	204
-------------------------------------	-----

Ricardo Tito Amor (1934-2025). “The Air File”	205
---	-----

Jean F. Dubousset (1936-2025).....	304
------------------------------------	-----

Prof. Dr. Salomón Schächter (1926-2025).....	609
--	-----

POSTGRADUATE ORTHOPEDIC INSTRUCTION - IMAGING

Stress Fracture as a Differential Diagnosis for Bone Sarcomas	3 and 103
---	-----------

Aneurysmal bone cyst.....	112 and 197
---------------------------	-------------

Normal Glenoid Ossification Mimicking a Fracture in an Adolescent Patient	307 and 405
---	-------------

Multiple Pelvic and Hip Fractures Due to Non-Accidental Trauma in an 18-Month-Old Child	499 and 604
---	-------------
